In accord with rulings made at a hearing held today in connection with the application of attorney Blansky to be removed as counsel, the court hereby grants the application to withdraw. Further, in light of the representation by the Defendants that they do not intend to engage new counsel, and in view of the fact that Defendants are both corporations, the court grants leave to Plaintiff to move immediately for entry of default against Defendants.

In light of the rulings above, the Clerk of the Court is directed to note the termination of

attorney Blansky, and his firm from the docket in this matter, and to terminate the motion appearing as docket entry 19.
